RE: Donation Request

Dear Community Supporter,

For over 30 years, Sacramento Valley Crime Stoppers (SVCS) has partnered with members of the community in assisting local law enforcement agencies in the fight against crime. The anonymity of our program helps overcome a key element in why community members hesitate to get involved when they have information about criminal activity: fear of retaliation by the suspect(s). SVCS provides an anonymous way for people with information ("Tipsters") to come forward without their identity being disclosed.

Our Board of Directors has guided our program through continual growth. SVCS Board members work diligently with our Law Enforcement Advisory Committee, made up of law enforcement from the local, state and federal levels. Here are some results from our program:

- Solved almost 3000 criminal cases
- Led to over 2800 arrests for crimes including murder, domestic violence, sexual assaults, robbery, burglary and hate crime
- Recovered over \$3 million in stolen property from both business and residential crime victims
- Led to almost \$100,000 worth of drugs being seized

SVCS is funded 100% by private donations and fundraising efforts. Our **21st Annual Crab Feed** at the Citrus Heights Community Center on March 25th is our largest and most successful fundraising event.

We would greatly appreciate your help with an item that will be used in our auction. Your business will receive recognition at the event and through social media (Twitter, Facebook). Once you have decided on an item or items to donate, we will be happy to pick them up for your convenience.

100% of the proceeds from the Crab Feed go directly to pay rewards for anonymous tips that lead to arrests in and around the Sacramento valley. None of the money raised goes toward any salaries, as all board members are volunteers.

Sacramento Valley Crime Stoppers Board of Directors are grateful for your consideration. If you have any questions, please don't hesitate to call or email me.

Sincerely,

Laurie Heyman
