Overview

The State Fiscal Year 2011-12 Budget included the realigning of state-local programs that redirects authority and responsibility to the local level, with associated funding. This realignment effort eliminated duplicative administration of services, limited overhead costs, and allowed for locally determined priorities while maintaining statewide goals and objectives.

As part of the realignment plan, a Community Corrections Partnership (CCP) was formed to develop and recommend an annual local plan to the Board of Supervisors on how public safety realignment should be implemented within the County. One of the members of this committee is a county supervisor or the chief administrative officer for the county or a designee of the board of supervisors. It is recommended that Britt Ferguson be designated as the Board of Supervisors representative.
